Kodori Gorge
Heavy fighting on Sunday.

Refugees
Initial reports say thousands are crossing from South Ossetia into Russia. Civilians are reported to be fleeing cities in Georgia as well. The United Nations is preparing for as many as 30,000 refugees.

Abkhazia
Russia has poured in extra forces and now has at least 9,000 troops and 350 armored vehicles here.

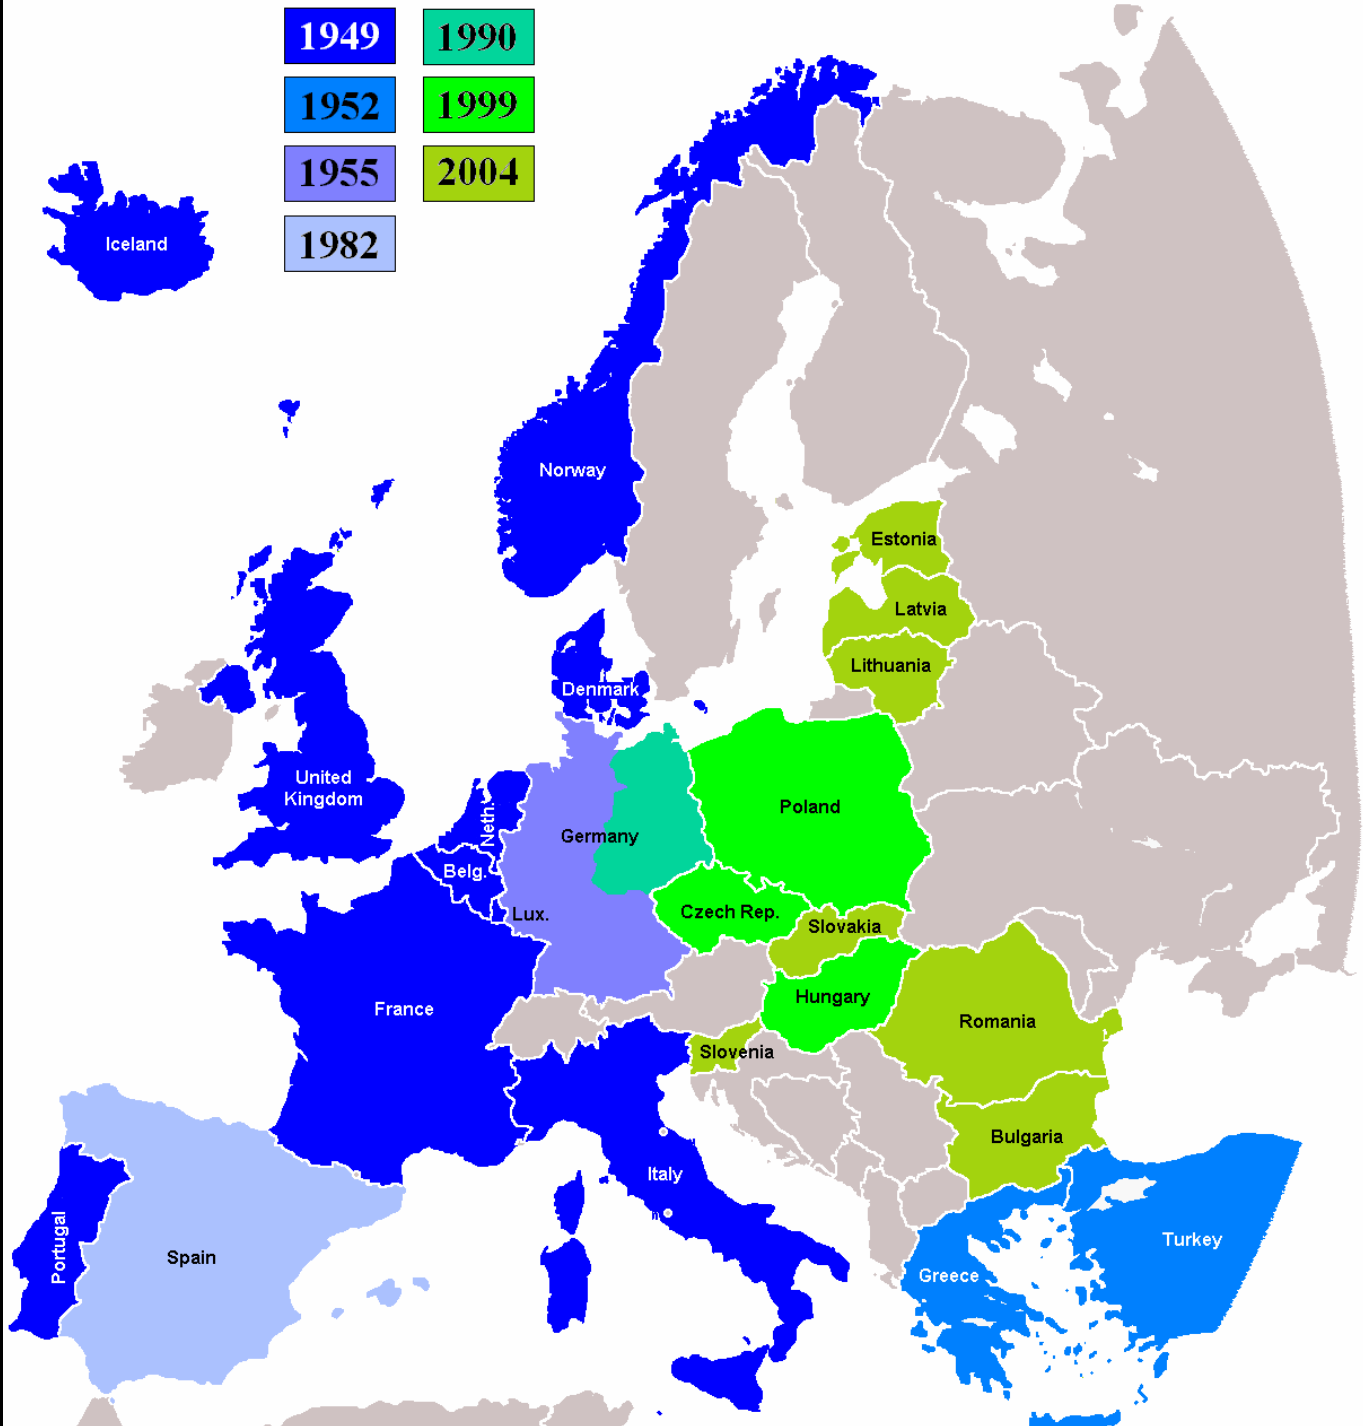

Senaki
On Monday, Russian forces overran a military base that is said to house heavy weaponry.

Gori
Georgian officials said that Russia moved forces through South Ossetia over the weekend, advancing toward this military and transportation hub.

Tbilisi
International airport bombed Sunday.
